The Hornsby Ku-ring-gai Women's Shelter fills a much needed gap in emergency housing for victims of domestic violence and homelessness. Since taking in its first client in January 2015, it has been at capacity.

## Where does your dollar go?

The shelter receives no government funding and is entirely dependent on donations. **Every dollar received benefits the shelter directly.** Our board and supporting committees consist of dedicated, unpaid volunteers. We aim to keep running cost to the absolute minimum, but keeping the shelter open is a costly affair though. Without boring you with the details, it costs **\$69 per day to house and feed one woman.**

## You can help in lots of ways.

**Join our HKWS Coffee Crew.** Making a donation of only **\$5 per week makes a huge difference!** Think of it as **buying a woman a cup of coffee once a week.** We call this the Coffee Crew because this is what we need to keep going: regular drips of coffee kick-start our fundraising and provide **much needed regular income to pay for the ongoing expenses.**
